

CERTIFICATE OF COMPLETION

This is to certify that

Abdalluh Ahmed Fathy,

Alexandria University (AU),

has successfully completed the Quantum Computing and Programming Summer Training 2025, achieving a final grade of 283 out of 300.

This intensive training program was jointly organized by Alamein International University (AIU) and the Alexandria Quantum Computing Group (AleQCG), spanning from 30 June 2025 to 15 September 2025. The rigorous 12-week curriculum included 20 hours of lectures and 30 hours of hands-on programming lab work, supplemented by a dedicated two-week period for self-study and a final project.
